Hi Sam

You have requested to reset your password. Please use this One Time Password to reset your password:

**7yU87aZW**

Note: this OTP is set to expire in 5 minutes.

Ignore this email if you do remember your password, or you have not made the request.

The image shows a web page for 'TweetApp' with a blue gradient background. On the left is the 'TweetApp' logo, which consists of a blue square icon with a white stylized 'T' and the text 'TweetApp' in white. On the right is a white rounded rectangle containing a 'Password Reset' form. The form has a title 'Password Reset' in bold. Below the title are two input fields: 'Password' and 'Confirm Password'. At the bottom of the form are two links: 'Remember Password? Login' and a blue 'Submit' button.

### EDIT PROFILE:

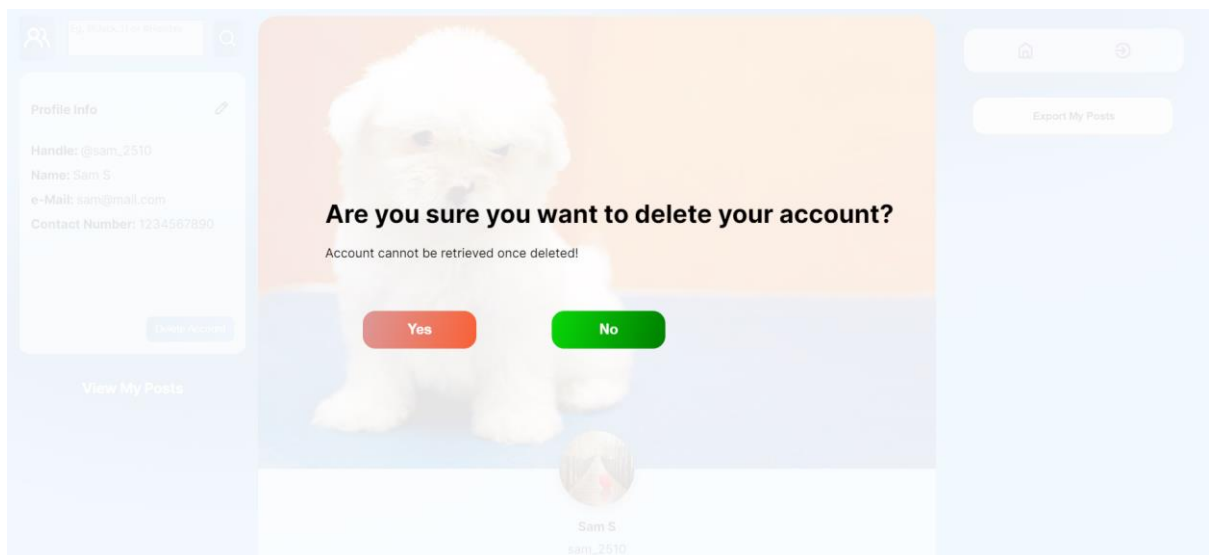

The screenshot shows a 'Your Info' modal form overlaid on a user profile page. The modal contains the following fields and options:

- Handle:** sam\_2510
- Password:** (empty field)
- Name:** Sam
- e-Mail:** S
- Contact Number:** sam@mail.com, 1234567890
- Profile image:** Choose File | No file chosen
- Cover image:** Choose File | No file chosen
- Update:** (blue button)

The background profile page shows a header with a search bar, a 'Profile Info' sidebar with a 'Delete Account' button, and a main area with a profile picture and a bio section.

### DELETE ACCOUNT:

The screenshot shows a confirmation dialog for deleting an account. The dialog has a white background with a blue border and a close button (X) in the top right corner. The main text reads:

**Are you sure you want to delete your account?**

Below this, a warning message states: **Account cannot be retrieved once deleted!**

At the bottom, there are two buttons: a red 'Yes' button and a green 'No' button.

The background profile page is visible but dimmed, showing the same profile information and a 'Delete Account' button in the sidebar.
